

CLOSER TO THE >> FAMILY GATHERING

Whether you need to get closer to business or closer to family, Sheraton at Woodbridge Place can take you there. Conveniently located amidst the US Parkway, NJ Turnpike and Rt. One South — offers you, the guests, all the elements of the perfect weekend getaway. Savor your weekend moments at our outdoor or indoor pools and Jacuzzis, enjoying swim-side service in a relaxing oasis. If shopping is your passion, Sheraton at Woodbridge Place hits across from both the Woodbridge and Menlo Park Malls, featuring a combined 450 stores. After a refreshing day of baking or browsing, enjoy a sumptuous Italian dinner at Allen's Ristorante or experience the best steak west of Staten Island at Woodbridge Steakhouse.

Sheraton Ad Concepts

The Sheraton at Woodbridge Place was interested in fresh creative and strategy for their advertising. Page2 developed these concepts and others for the initial pitch, providing not only a diverse menu of distinct visual approaches but also a number of positioning statements and supporting copy that pursued the client's key themes and objectives. One of our submissions was chosen with minimal modifications and the new campaign was launched.
